A NOTE FROM MARY KAY AS A REMINDER TO SEND IN YOUR SERVICE HOURS!

Service for Sight hours include anything you have done in that area; for instance Be My Eyes, reading or transportation, or if you contributed to the clothing and supplies drive for the blind woman going to camp that I coordinated.

ALL other volunteer hours also count such as church, library, Girl Scouts, school, Meals on Wheels, and all the other kind things you do in and for your community.

It all matters and makes us outstanding!!

It is much easier for you and for me to send those hours as they occur, via text, email or PM me.

Thank you

Volunteers Needed!

Sarah Beitler is looking for Delta Gamma Alumnae to volunteer during the annual MAHJ FOR SIGHT Mah Jongg Tournament.

- 5 volunteers for setup and registration at the beginning of the tournament. They can stay and have lunch or leave before lunch.
- 4 volunteers who know how to play Mah Jongg and can be backup players if a participant doesn't show up. This would be really really helpful to me. If you don't end up playing you can still help out.
- 2 volunteers can come after lunch and stay to help with clean-up.
- If you want to eat lunch you can purchase it online here for \$25
